About Us

We are, HARNAWA INC, a business entity that was found in the year 1973, and is today one of the most respected manufacturers of Insulation Material in markets worldwide. Not only we are engaged in manufacturing activities, but also we work as a trader, importer, and exporter, so that we meet customer's needs with perfection and expand our reach to newer horizons. Customers highly acclaim our company for always making client centric approach. We are always focused on one thing, which is to never fail at delivering the best quality products to customers. The portfolio of products we maintain is vast. It comprises of Insulating Materials such as Laminated (N.P.N) Class 'F', Fleece Paper Class 'F' & 'B', Fiberglass Sleeves, Silicone Sleeves and a lot more. Owing to maintenance of such a portfolio, we serve offerings for applications in Motors, Transformers, Pumps, Electrical Appliances, and a lot more. Each one of the product we manufacture is CE and RoHS certified.

The infrastructure of our company is considered exemplary when it comes to utilizing a large space to get maximum productivity. In our facility we maintain a number of departments in which all are maintained in a highly advanced manner, so that we always remain capable of delivering Fiberglass Sleeveings, Silicone Sleeveings, Polyester Film, Insulation Material, Webbing Tape, and much more.

We are a customer oriented firm, that has a history of never failing to satisfy its clients. We do our best at each work with the sole intention to satisfy our clients in every business deal. The mission of our company is to attain prominence on a global level on the grounds of customer satisfaction. And to attain our mission, we make sure that once a customer comes to us, they leave after getting delighted by doing business with us.
